(1) Direct expenses

List here all liabilities and expenses incurred by you or with your express or implied consent at any time before the poll for the supply or use of goods or the provision of services in your election campaign (i.e. goods and services used to promote or procure your election or to prejudice the electoral prospects of another candidate which are used during the regulated period: Article 3(1).

If the goods or services were supplied free of charge or at a discount to the open market value you should make the entry in Section B.

If you are a candidate endorsed by a political party, you must include here any direct expenses incurred by the party on your behalf: Article 3(2).

If the liabilities expenses for goods and services are incurred by or with the express consent of two or more candidates, the presumption, unless the contrary is proved, is that such liabilities/expenses are or equal benefit to each candidate and are to be apportioned equally: Article 3(7).

(2) Donations (including Notional Expenses)

Donations in the form of loans and gifts of money received by you in connection with your election campaign must be declared. You must also declare any notional expense. A notional expense arises when goods or services are supplied either free of charge or at a discount to the open market value of or rate for such goods or services. The difference between the notional expenditure/liability and the open market value of such goods or services supplied is a "gift" or donation from the donor. The value of the "donation" is determined in accordance with paragraph 3 of the Schedule to the Law, disregarding any notional expense that by virtue of paragraph 5, 6, 7 or 8 of the Schedule is not a deemed to be a donation. List in section B notional and equivalent open market value of all such donations received in connection with your election campaign.

Column 1

The name of each donor must be given where the open market value of any type donation exceeds £145: Article 6(1)(b). If the donation is less than £145 no name need be given but an entry should be made. If there are several donations each less than £145 you can aggregate e.g. 5 donations each less than £145 totalling £x.

Column 2

Set out the type of donation received.

Column 3

Set out here the notional value of your expenses/liabilities which may be "nil" and will always be less than the open market value. A loan of money is a donation if it is made at no cost to the candidate or on the terms which are less than the commercial rate for such loan. The capital sum loaned should be set out in column 1 e.g. £2,000 interest free loan from ABC. In Column 3 the value "nil" (or actual cost to borrower) should be inserted. In column 5 the cost of the loan at a commercial rate should be inserted.

Column 4

Should state the difference between Column 3 and Column 5. In the case of an outright gift of money there is no need to complete columns 3 and 4.
